

Aggregation Letter From ComEd “Electric Supplier Choice – Confirmation of Drop”

Kankakee Resident:

With Deregulation in effect we all have the right to shop around for our electrical power. Over the last several years, through the aggregation process, the City of Kankakee has worked diligently to insure that the residents of Kankakee have received the best possible electrical rates. One hundred percent (100%) of these savings have been passed back to you, the residents of the City of Kankakee. In the past the City of Kankakee would analyze the electrical rates from 3 or more prospective bidders and would compare these rates with ComEd. In the past these other bidders were able to provide a rate that was less than what ComEd was willing to offer. After a thorough evaluation of the bid results this year it was identified that ComEd was able to provide the most cost effective rate for 2014-2015. This is why you may have received a letter similar to the one below.

As a residential customer on August 22, 2014 the past low bidder, Verde Energy USA, will be replaced by the new provider, ComEd. **If you would like to take advantage of the lowest Aggregation rate you do not have to do anything and allow the transition to ComEd to proceed August 22, 2014!** As a residential customer, If you would like to investigate other Electrical Providers on your own, ComEd is providing you the opportunity to do so for the next two (2) billing cycles.

Once again **If you would like to take advantage of the lowest Aggregation rate you do not have to do anything and allow the transition to proceed.**

We hope that this summary and attached letter may help clarify any confusion that may exist.

Thank You

City of Kankakee

Electric Supplier Choice - Confirmation of Drop

We have received notice that effective August 22, 2014, Verde Energy USA Illinois LLC will no longer be your electric supplier of choice. Your electric supplier is being changed to ComEd.

If you would like to switch to a new supplier other than ComEd, you must make this change within the next two (2) monthly billing periods, otherwise you will be required to remain on ComEd electric supply service for a total of twelve (12) months from the effective date. (**Note: you cannot return to your previous supplier**). Non-Residential customers with demand usage greater than 100 kW and customers on hourly rates do not have this time restriction and may select another supplier at any time. If you have any questions or would like to learn more about customer choice, please visit ComEd.com/customerchoice.

For questions or information regarding your previous electric supplier, please contact Verde Energy USA Illinois LLC at (800) 241-0295. If you would like a list of eligible Retail Electric Suppliers that are able to serve you in ComEd's service area, please visit ComEd.com/customerchoice.

You will remain a ComEd customer for electric **delivery** services. ComEd will still deliver electricity to customers in Northern Illinois independent of electric supplier choice. ComEd will continue to maintain the electric system and restore service after storms or power outages. If you have any questions about your delivery services, such as power outages, metering, moving to a new address or service requests, please visit us at ComEd.com or 1-800-EDISON1 (1-800-334-7661) for Residential customers or at 1-877-4-COMED-1 (1-877-426-6331) for Commercial customers.

ComEd supports electricity competition and customer choice. To learn more about customer choice, please visit ComEd.com/customerchoice or PlugInIllinois.org.

Respectfully,

Val Jensen, Senior Vice President
Customer operations
