If a person who receives electricity in the City claims to be an authorized reseller of electricity, that person shall apply to the Comptroller of the City for a resale number. The applicant shall state facts showing why it is not liable for the tax imposed by this chapter on any purchases of electricity and shall furnish such additional information as the Comptroller of the City may reasonably require.

The Comptroller of the City may cancel the resale number of any person if the person fails to pay any tax payable under this chapter for electricity used or consumed by the person, or if the number (1) was obtained through misrepresentation, or (2) is no longer necessary because the person has discontinued making resales.

Sec. 31-69. Credits and refunds.

Notwithstanding any other provision of this Ordinance in order to permit sound fiscal planning and budgeting by the City, no person shall be entitled to a refund of, or credit for, a tax imposed under this chapter unless the person files a claim for refund or credit within one year after the date on which the tax was paid or remitted to the Comptroller of the City. Sec. 31-87. Natural Gas Tax imposed.

A tax is hereby imposed upon the privilege of using or consuming natural gas within the City of Kankakee at the rate of 5 % of the gross price paid for such gas. The ultimate liability and legal incidence of this tax shall be on the user or consumer of the gas. However, to prevent actual multi-state and multi-city taxation of the privilege that is subject to taxation under this Section, upon proof that a tax was paid in another state or locality on the purchase, use or consumption of such gas, a credit shall be allowed against the tax imposed in this Section to the extent of the amount of such tax properly due and paid in such other state and not already allowed as a credit against any other state or local tax imposed in this State. The tax imposed herein is not imposed on any act or privilege to the extent such act or privilege may not, under the Constitution and statutes of the United States, be made the subject of taxation by the State.

TAXATION

The tax imposed hereunder shall be paid by the person using or consuming the gas and remitted by such person to the Treasurer pursuant to Section 31-5 hereof, such person required to pay this tax shall be deemed a "taxpayer" to the City.

Any tax herein imposed is in addition to any other taxes authorized by law, except as provided herein.

A remittance return shall accompany each monthly payment. The format of such remittance return shall be prescribed by the Treasurer and such return shall include the gross price paid for such gas and the number of therms used or consumed within that month and any other information the Treasurer deems necessary. The remittance returns shall be filed and signed by the taxpayer. The Treasurer may allow a taxpayer to pay this tax on an annual basis, if the taxpayer average monthly liability is less than \$20, with the tax due for the calendar year by the last day of January of the following year. A remittance form prescribed by the Treasurer with requirements similar to the monthly remittance return referred to above, shall be signed and filed by the Taxpayer with his annual payment.

Sec. 31-88. Penalty for not paying natural gas tax.

Any tax not paid when due shall bear interest of 2% per month, or fraction thereof, until the tax is paid.

In addition to any interest charged, any tax not paid when due shall subject the Taxpayer, failing to pay such to a 10% late payment penalty, unless a late filing penalty is due as provided in subsection C below. This penalty shall be calculated upon the amount of tax underpaid.

In addition to any interest charge, any remittance return not filed when due shall subject the taxpayer failing to file to a 10% late filing penalty calculated upon the total tax liability due for such filing period.

Any payment or return not physically received by the Treasurer by the due date shall be considered late.

All payments received shall first be applied to penalty due, then interest due and finally to tax due for the period the payment is made for.

KANKAKEE CODE

The taxpayer shall be required to pay all tax, interest and penalty due from him, except that if the Treasurer finds that any late payment or late filing was due to be reasonable cause, the penalty for such shall not apply.

Sec 31-89. Record keeping - natural gas tax.

Every person subject to the tax imposed herein shall keep accurate and complete books and records of his purchases and uses of natural gas, which will include any and all source documents and other pertinent papers and documents. All such books and records which are required to be kept by this Article shall be kept in the English language and shall, at all times during business hours of the day, be subject to inspection by the Treasurer or its duly authorized agents and employees.

It shall be presumed that every use or consumption of natural gas in this City is subject to tax under this Article until the contrary is established. The burden of proving that a use or consumption of natural gas is not taxable hereunder shall be upon the taxpayer.

Sec. 31-90. Duties of Treasurer: natural gas tax.

The Treasurer is hereby empowered to adopt, promulgate, and to enforce rules and regulations relating to any matter or thing pertaining to the administration and enforcement of the provisions of this Article, including provisions for the re-examination, correction and amendment of all returns. The Treasurer, or any agent or employee designated in writing by him is hereby authorized to examine the books and records of any taxpayer during regular business hours, in order to verify the accuracy of any return made, or if no return was made to ascertain the tax imposed by this Article and also may hold investigation and issue subpoenas, if necessary, to any person in order to accomplish these tasks.

If it shall appear to the Treasurer that any person has violated any provision of this Article or any rule or regulation promulgated hereunder, or if the amount of any tax payment is incorrect in that it does not include all taxes payable for such calendar month or period, or if the Treasurer shall find that the collection of any taxes which have accrued but are not yet due will be jeopardized by delay, and declares said taxes to be immediately due and payable, or if it shall appear to the Treasurer that he has made any final assessment which did not include taxes payable for the periods involved, or if it appears to the Treasurer that any person has, by reason of any act or omission or by operation of law, become liable for the payment of any taxes, interest or penalties not originally incurred by him, the Treasurer may in any of the above events determine and assess the amount of such taxes or deficiency, as the case may be together with the interest and

TAXATION

penalties due and unpaid, and immediately serve notice upon such person of such determination and assessment and make a demand for payment of the tax together with interest and penalties thereon. If the person incurring any such liability has died, such assessment may at the discretion of the Treasurer be made against his personal representative. Such determination and assessment by the Director shall be final at the expiration of 20 days from the date of the service of such written notice thereof and demand for payment, unless such person shall have filed with the Treasurer a written protest and a petition for a hearing, specifying its objections thereto. Upon the receipt of such petition within the 20 days allowed, the Treasurer shall fix the time and place for a hearing and shall notify the petitioner thereof. The Treasurer may amend his determination and assessment at anytime before it becomes final. In the event of such amendment the person affected shall be given notice thereof and an opportunity to be heard in connection therewith. At any hearing held as herein provided, the determination and assessment that has been made by the Treasurer shall be prim facie correct and the burden shall be upon the protesting person to prove that it is incorrect. Upon the conclusion of such hearing a decision shall be made by the Treasurer either canceling, increasing, modifying or affirming such determination and assessment and notice thereof given to the petitioner. Such notice shall contain a statement by the Treasurer of the cost of the certification of the record computed at the rate of 10 cents per 100 words, which cost shall be charged to the petitioner if the determination or assessment is affirmed. The record shall consist of the notices and demands caused to be served by the Treasurer, the original determination and assessment of the Treasurer, the written protest and petition for hearing, the testimony introduced at such hearing, the exhibits produced at such hearing, or certified copies thereof, the decision of the Treasurer and such other documents in the nature of pleading filed in the proceeding.

Whenever any person shall fail to pay any tax as herein provided, the City's Attorney shall, upon the request of the Department, bring or cause to be brought an action to enforce the payment of said tax on behalf of the City in any court of competent jurisdiction.

If the Mayor, after a hearing held by or for him, shall find that any person has willfully evaded payment of the tax imposed by this Article, he may suspend or revoke all City licenses held by such tax evader. Said person shall have an opportunity to be heard at such hearing to be held not less than 7 days after notice is given to him of the time and place of hearing to be held, addressed to him at his last known place of business. Pending notice, hearing and finding, any license issued by the City possessed by said person may be temporarily suspended. Any suspension or revocation of any license shall not release or discharge said person from his civil liability for the payment or collection and remittance of the tax, nor from prosecution for such offense.

Whenever it appears that an amount of tax, interest or penalty has been paid in error to the Treasurer by the taxpayer, whether such amount be paid through a mistake of fact or an error of

KANKAKEE CODE

law other than an error resulting from the tax, any of its provisions or its application being declared invalid or unconstitutional, not later than three years from the date upon which such payment was made, such taxpayer may file a claim for credit or refund with the Treasurer on forms provided by said Treasurer for that purpose. No credit or refund shall be allowed for any amount paid by such taxpayer unless it appears that he bore the burden of such amount and did not shift the burden to another person.

Any credit or refund that is allowed under this Section shall bear interest at the rate of one-half of one percent (1/2) per month, or any fraction thereof, from the date when the erroneous payment for which credit or refund is being allowed was made to the Treasurer, until a credit memorandum is issued or a refund is paid.

A claim for credit or refund shall be considered to have been filed with the Treasurer on the date upon which it is physically received by the Treasurer, and receipt of any claim or refund filed under this Section shall be acknowledged by the Treasurer or any designated person on his behalf, said receipt to describe the claim in sufficient detail as to identify it, and to state the date upon which the claim was received by the Treasurer.

As soon as practicable after a claim for credit or refund is filed, the Treasurer or his designate, shall examine and determine the amount of credit or refund due, if any, and shall issue a Notice of Tentative Determination of Claim and notify the claimant of such determination. If the claimant disagrees with the determination, he shall file a protest and challenge thereto within 20 days allowed, the Treasurer, or his designate, shall fix the time and place for a hearing thereon, filing notice to the claimant thereof, not less than 7 days prior thereto. At any hearing held as herein provided, the Tentative Determination of Claim shall be prima facie correct and the burden shall be upon the claimant to provide that it is incorrect. Upon the conclusion of the hearing, a decision shall be made by the Treasurer and notice hereof given to the claimant. In the event no protest or challenge to the Tentative Determination of Claim is filed within the twenty (20) day period hereinabove set forth, said notice shall thereafter become and operate as a final determination.

The Treasurer may in his discretion issue a letter of credit to a claimant who may be able to use said credit in the foreseeable future, or a refund certificate in lieu of a credit memorandum on application by a person who cannot use said credit, or sell or assign the same. Refund certificates shall be numbered serially as they are issued and shall be paid in the order of their issuance from funds that are appropriated to the Department for that purpose.

TAXATION

Whenever notice is required by this Article to be sent by the Treasurer, Director or the Mayor, such notice may be given by United States registered or certified mail, addressed to the person concerned at his last known address, and proof of such mailing shall be sufficient for the purposes of this Article. Notice of any hearing provided for by this Article shall be so given not less than 7 days prior to the day fixed for the hearing. Following the initial contact of person represented by an attorney, the Treasurer shall not contact the person concerned but shall only contact the attorney representing the person concerned.

All hearing provided for in this Article shall be at the Treasurer's office.

Any officer or employee of any corporate taxpayer who has the control, supervision or responsibility of filing returns and making payment of the amount of tax herein imposed and who willfully fails to file such return or to make such payment to the Treasurer shall be personally liable for such amounts, including interest and penalties thereon, in the event that after proper proceedings for the collection of such amounts, as provided in this Article such corporation is unable to pay such amounts to the Department; and the personal liability of such officer or employee as provided herein shall survive the dissolution of the corporation.

All proceeds resulting from the imposition of this tax including interest and penalties shall be deposited in the Corporate fund of the City.

Any person found guilty of violating, disobeying, neglecting, or refusing to comply with any of the provisions of this Article except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than \$100.00 nor more than \$1,000.00 for the first offense and not less than \$500.00 nor more than \$5,000.00 for the second and each subsequent offense in any 180-day period, provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Code of Civil Procedure (Ill. Rev. Stat. 1983, Ch. 110 par. 1-101 et seq.). A person who commits repeated offenses in excess of three within any 180-day period may also be punished as committing a misdemeanor by incarceration in the County Jail for a term not to exceed six months under the procedures (Ill. Rev. Stat. 1983, Ch. 38, par. 100-1 et seq.) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist, after notification thereof.

If any provision of this Article or application thereof to any person or circumstance is held unconstitutional or otherwise invalid, such invalidity shall not affect other provisions or applications of this Article which can be given effect without the invalid application or provision, and to this end each such invalid provision or invalid application of this Article is

KANKAKEE CODE

severable, unless otherwise provided by this Article. In particular, but without limitation, each provision creating an exception to or an exemption or exclusion from the imposition of the tax is severable. It is hereby declared to be the legislative intent of the City Council that this Article would have been adopted had any such unconstitutional or otherwise invalid provision or application not been included.
