Dear Neighbors of the 6th Ward:

The City of Kankakee is continuing the "Kankakee Walks" initiative. Walking is one of the best exercises that has low impact on joints and contributes to a healthy lifestyle. Walking at a vigorous pace reduces stress, lowers blood pressure, and serves as a great activity for socializing with friends.

Throughout each ward are two walking routes marked by signs and arrows. Each route is approximately one mile and provides a distance where goals can easily be established.

We hope you will join the "Kankakee Walks" initiative. Feel free to form a walking club in your ward and be a part of moving *Kankakee Forward* as we work to create a more active community.

Mayor Chasity Wells-Armstrong

Mayor Chasity Wells-Armstrong
Alderman Mike Cobbs
Alderman Christopher Curtis

Walking maps for each ward are available at:
Administration Building, Public Safety Center,
Kankakee Public Library, YMCA
and the YWCA.
