Department Purpose

The Fire Department is responsible for all fire protection and emergency ambulance service within the City. The department operates four fire stations, each manned 24 hours a day, 7 days per week, with 50 full-time career personnel.

The Department is separated into the Supervision, Training, Alarm & Communications, Fire Prevention, Firefighting Force, Emergency Services, and Other Fire Divisions. This structure allows the Department to better focus its efforts on the respective specialized areas of need, to create more efficient operations, and to more effectively meet the demands of the City's residential and business communities.

In addition to the standard reactive services, the Department emphasizes proactive efforts in Fire Prevention, Building Code Enforcement, Public Fire Education, Preplanning, and the thorough training of its personnel. The department's proactive endeavors help assure a safer community and ensure that skilled personnel are available to respond to emergency situations as they arise.

Department Purpose

The Code Enforcement Department strives to encourage the proper maintenance and construction of the City's residential and commercial buildings and land. The Code Department is responsible for all administrative functions relating to the review, issuance, and/or denial of applications, permits and/or certificates specified under the provisions of the City's Zoning Ordinance; interpretation and enforcement of the Zoning Ordinance, subdivision regulations and other related laws, codes and/or land use regulations; and formulation and presentation of recommendations, including maintenance of all related records and documentation on applications for amendments to the City's Zoning Ordinance, conditional use permits, and variance requests.

Code is also responsible for animal control in the City. This function is now outsourced to the County on a per event basis.
